

## Exclusive Features of Our REGAL OXFORDS

**Heel Hug**—Regal Oxfords fit snugly at the heel—never chafe or cut—because they are made on special Oxford lasts.

**Ankle Fit**—Regal Oxfords fit smoothly and evenly around the ankle, whereas ordinary low-cuts, made on high-shoe lasts, sag and gape at the ankle.

**Custom Instep**—The patented, two-part REGALFORM Lasts, on which Regal Shoes are made, are removed from the finished Regal Shoes in sections. This permits the instep or "waist" of the shoes to be made small and snug.

**Quarter-sizes**—In addition to the usual half and full sizes, Regals come in one-quarter and three-quarter sizes in between. This double number of fittings insures an exact fit for every foot.

**Custom Styles**—Regal Oxfords reproduce the latest, correct custom styles, not found in other ready-to-wear shoes until the following season.

And yet our Regals cost you no more than ordinary shoes!

Every Household in El Paso Should Know How to Resist It.

The back aches because the kidneys are blocked.

Help the kidneys with their work. The back will ache no more.

Lots of proof that Doan's Kidney Pills do this.

It's the best proof for it comes from El Paso.

Mrs. N. J. Griner, St. Louis and Popular streets, El Paso, Texas, says: "About three years ago while living in Carlsbad, N. M., a member of our family was suffering from Bright's disease. For over a year the person's feet and limbs were badly swollen and a severe pain in the small of the back caused much misery. Smothering spells were common and we often thought that the patient would die. Doan's Kidney Pills were finally recommended to us and I procured a box at Kelly & Pollard's drug store. They proved of benefit from the first and in three or four months the patient was in better health than for years. Doan's Kidney Pills have my highest endorsement."

For sale by all dealers. Price 50 cents. Foster-McLure Co., Buffalo, New York, sole agents for the United States.
